Mrs. Brook and little son have been in the city awaiting the arrival of a daughter, Miss Adah, who reached here Wednesday from Nordloft, Cal. They leave for Gasquet in the morning by private conveyance.

Minnesotans Like Rogue Valley—

Mr. and Mrs. Edward Benson of Brown Valley, Minnesota, stopped in Grants Pass for a few days' visit with John Dale, on their way to California. Mr. Brown, who was a school-mate of Mr. Dale, was so favorably impressed with this country that he expressed his intention of further investigating the valley on his way north next spring.

May Prosecute Locators—

Word from Portland is to the effect that United States Attorney Reames had gone to Washington, D. C., to confer with Attorney-General McReynolds regarding the proposed prosecution of the persons who have been locating people on the O. & C. railroad lands that have been forfeited to the government. These locations, or applications to purchase, are still being made, one having been filed for record in the office of the clerk of this county Tuesday.

Heavy Levy in District No. 57—

The tax levies made by the various school districts of Josephine vary but little from those of previous years, slight changes being made in a few. The new district, No. 57, which was created from a portion of district No. 20 last year, will have the heaviest burden of any. In the division the school house remained with the original district, and No. 57 built a new one. In providing for the payment of the new house a levy of 25 mills was made, and this added to the regular county and state levy of 18 mills makes a total of 43 mills upon the property of the district, the highest levy in the county.

Serious Operations—

Mrs. Nels Thompson of Glendale, who recently had an operation for cataract at the South Pacific hospital, returned to her home this week. The eye, which was totally blind, is now a member with very good vision. Paxton, the five-year-old son of Mr. and Mrs. A. A. Hetrick of this city, underwent quite a serious operation Saturday morning for mastoid abscess. So much bone had been destroyed that a small area of the brain had to be exposed. Dr. Findley, who performed the latter operation also, says the child is doing as well as could be expected.

New Auto for Stanton Rowell—

Stanton Rowell is now driving his new automobile about the streets, proudly exhibiting the handsome car and "joy-riding" his friends. The machine is a 1914 Studebaker, received Thursday morning through the agency of Carl Allen, the first one seen here. A six-cylinder Studebaker included in the shipment goes to Perry Ashcraft of the Medford Garage.

Stock Men to Organize—

The stock raisers of the Merlin district met on Saturday and organized an association for the protection of the stockmen's interests. A committee was appointed to draft a set of by-laws and present them at a meeting to be held at Merlin at 10 o'clock the first Saturday in January, the 3rd. There are about 40 persons interested in this movement and they represent several hundred head of stock.

Did you ever notice how much a table set with Community silverware resembled sterling? Community is really better than sterling (for service), as it is stiffer, does not bend and is guaranteed for 50 years. The Rogue River Hardware carry it in stock.

Stenographers' Examination—

The U. S. civil service commission announces that an examination will be held in Grants Pass on January 17, 1914, for male stenographers and typewriters. Persons desiring to take the examination should apply to the local secretary of the board of civil service examiners, at the post office in this city, for information and for application blank. Applicants must be 18 years of age or over at the time of the examination.

'Bos Got Stop-Over Privilege—

The Southern Pacific Company has evidently instituted a board of benevolence for wayfarers, as they have today been furnishing open air lodging and free heat to those of the weary fraternity who patronize the brake and rod berths of the railroad service. A huge pile of old ties which was set afire in the railroad yard proved a great attraction during the chilly hours of the morning and the warmth of the fire was enjoyed by many who could find no better hospitality in the city.

Mr. Farmer: If you want a fence that will last always, get "American" from the Rogue River Hardware.
